Dear Parents,
This month we welcome SPRING!!
Yay!! February went by so fast and
I hope everyone had a great time
during our winter break week. We
had a lot of fun activities!

March Themes:

Feb 28- Mar 4: Dr. Seuss

Mar 7-11: Under the Sea (rescheduled)

Mar 14-18: Circus

Mar 21-25: Signs of Spring

Mar 28-31: Transportation

We continue to work writing our
letters and numbers, as well as our
sight words. You will notice at
times I will repeat site words
already learned. I am hoping this
helps the class retain them more
easily. Please continue to discuss
with me any activities you would like
to see your child work on in the
classroom. Please feel free to call
me at the center or email me at
swd213@yahoo.com.

The class during a 'No School'
lunchtime 😊

A Note about the DS:

DS/DSi only allowed on Fridays and 'No school days' at SPECIFIC times of the day (after the structured day has ended and the after school program begins-usually around 4:30pm). Limiting the DS time allows children to make other center choices (this is only one reason of many to limit this time😊.)

Happy Birthday!!
Emma- celebrating her 6th
birthday on March 1st!
Alexis- celebrating her 6th
birthday on March 23rd!

This Month's Highlights

The Children will learn and explore the world under the sea.

The Children will read Dr. Seuss stories; celebrate his life, his work and his birthday.

The Children will learn about and watch for signs of spring!!

The children will learn and enjoy the circus, and make up their own acts.
