- St. Patrick's Day

### Goals/Objectives:

1. Using small motor development we will be working on writing our name.
2. Create a class book about Leprechauns using language skills.
3. Cognitive skills are developed with patterning letters with flowers.
4. Counting with Dr. Seuss books

### Did You Know!?!

#### Early Reading Promotes Better Thinking...

Children who learn to love reading at an early age will develop better writing and thinking skills. Help give your children an edge in their education. Be careful not to make reading a chore...rather model reading as an enjoyment and soon your kids will follow lead. To find out more please visit: [www.parent.net/tips/education.shtml](http://www.parent.net/tips/education.shtml)

#### At Home Connection:

1-2 Buckle my shoe, 3-4 Shut the door  
5-6 Pick up the sticks, 7-8 Lay them straight, 9-10 Say it again!
